Prof. Hall Brown and other Colleagues:

Just a quick follow up to the corrections to the minutes of 2/2/18 that were presented in yesterday's meeting. As a reminder, these corrections were accepted yesterday and should be included in the official record.

1. My report from COAS should be included in the minutes.
2. The 12 emergency positions that were developed by the Ad-hoc committee of the steering committee were adopted. These positions should also be included in the minutes.

Just a reminder, Dr. Smith indicated that the motion regarding an associate Dean or assistant Dean not being allowed to serve as an undergraduate trustee was seconded and PASSED. This correction was also approved for the minutes.

Thanks,

Marcus Alfred
