Subject: RE: Middle States Site Visit

Good Afternoon,

I hope that all of our Faculty Senate leaders and your families are well.

Due to challenges with planning logistics from the site visit team, a virtual site visit of our campus by Middle States will not occur this semester. A traditional site visit will occur during the Fall 2020 semester. We will provide you with the dates and important details as they are made available to us. A communication to the HU community will be provided shortly. I want to reiterate my response to your previous request, that meetings for institutional reaccreditation are organized according to Middle States guidelines and instructions from the team leader. Thank you.

Rubin Patterson, Ph.D.

Subject: Middle States Site Visit

Good morning Dr. Patterson,

I hope you and your family are well and staying safe. The HU Faculty Senate is again requesting to meet with the Middle States site visitation team. Even if there is only a virtual visit, we still would like to meet with them. Also, a gentle reminder, this is the third communication we've sent regarding the FS talking with the site visitation team, but (unless I'm mistaken) we've never got any kind of feedback and confirmation from either HU or Middle States. Please let us know of the status of our request?

Thank you,

Marcus Alfred
