Professor Kelly,

Good afternoon. Another meeting has since been rescheduled for that same time period. Are you available this Friday at 10:30am? Otherwise, 4pm Friday is another possibility. Thank you.

Subject: Meeting Next Week and Fall Planning

Dr. Alfred,

Good morning. I am writing to inquire if you wanted to proceed with a biweekly update call next Friday, or postpone until following the end of the semester? If you are available to meet, I would propose 11:30am.

Also, we will be convening the COVID-19 planning group next Monday (April 27, 2020) to consider contingencies for the fall semester, in preparation for a recommendation to President Frederick. Please recommend two members of the Faculty Senate to participate on this group and contribute in the planning. Ideally, faculty with expertise in logistics, infectious diseases, online instruction or communications would be most helpful. The meetings will take place over the next several weeks, into the summer. Thank you.
