CEA-APT Memo to Provost.docx;

Dr. Wutoh,

Attached please see the memorandum and recommendation from the College of Engineering and Architecture's Appointments, Promotions and Tenure Committee (CEA-APT) regarding the College APT regulations. After completing our review and actions on candidates for appointments/reappointments this past semester, the CEA-APT developed this memo to recommend a more effective and fair College APT process.

Thank you, Brad

Bradford C. Grant, Professor

Department of Architecture

College of Engineering and Architecture
