Good afternoon Colleagues,

I apologize for not reaching out sooner. I'd been under the weather for a bit. I want to say thank you to Profs. Kelly and Paschall for picking up the slack while I was gone. I'm in their debt. Thank you to all the faculty and staff that made the final meetings happen. This includes a remote Full Senate Meeting! (I think it's a first.)

A lot has happened in the last two months. I'll provide a brief update here and more detailed updates over the next few days. All updates are of course on the senate website : <https://hufaculty.com/>

There was a question on the Medical School student and faculty demographics. In particular, there has been a question on the number of African American students and faculty. The documents contain the numbers provided by the administration.

Congratulations to all faculty that pushed for tenure clock extensions!

### MEDICAL SCHOOL DEMOGRAPHICS

There was a question on the Medical School student and faculty demographics. In particular, there has been a question on the number of African American students and faculty. The documents contain the numbers provided by the administration.

### HU RESEARCH SERVICES

The administration answered some questions regarding research services - delays paying vendors and inputting new vendors

### FULL SENATE MEETING

Full senate meeting slides from the Senate Officers.

### COVID-19

The administration requested two senate representatives for the Fall 2020 preparation committees. We sent the names of Courtney Robinson, Jahn O'neill, and Shameka Stanford.

The administration provided an Executive Summary of their Covid 19 student survey.

The administration provided more responses to questions asked regarding Covid 19 and AAUP guidelines in May.

#### DECANAL SEARCHES

There appears to have been actions inconsistent with 2019 handbook during the College of Engineering and Architecture Decanal search. The senate has asked the administration about written allegations made by faculty.

#### HU BOARD

It appears Dr. Laurence Morse will become the chair of the HU Board sometime in July. I met with several of the board members including Dr. Morse.
