Dr. Alfred,

Good morning, I am unclear the nature of your inquiry. Are you asking whether a request for consideration of faculty appointment has been submitted for Dr. Dubroy? If so, the answer is yes, as she previously served on the faculty as a full professor at her previous institution in the Department of Natural Sciences & Math, and also served as Department Chair prior to her appointment as President at that institution. Is there a reason the Faculty Senate is particularly interested in this matter? Thank you.

**Subject:** Dr. Dubroy tenure application in Chemistry

Good morning Dr. Wutoh,

Some of our colleagues on the senate have asked if Dr. Dubroy has submitted an application for tenure in the chemistry department. Does she have an application for tenure submitted?

Thank you,

Marcus Alfred
