Dr. Alfred,

Good morning, and thank you for verifying this information. It is accurate. We will be comprehensively resetting the emails of all faculty, students and staff over the next few days to further protect the IT infrastructure. We will provide additional information for community members in online programs, and remote learning environments. Feel free to continue to confirm as we are also seeing an uptick in phishing emails. Thank you.

Good morning Dr. Wutoh,

I received the attached at 12:25 am this morning. Is it really from the administration?

Thank you,

Marcus Alfred
