Also, given the escalation seen in the video, alums are sending volunteers to sit as observers. They'd asked if faculty might be interested in joining them. Would this be something some council members might be interested in?

Subject: FS Council : Student Protests - 10/23/21

Colleagues,

I'm not sure if you've seen this, but there have been interactions between student protestors and HU security today.

I've asked Drs. Frederick and Morse if anything has changed from their previous policy of not forcibly removing students.
