Good afternoon colleagues,

In light of the HU Communications email regarding Board of Trustees Affiliate members committee meetings, please find attached the initial request from the secretary of the HU Board of Trustees, the NDA they requested I sign, my response, and their summary sent by HU Communications today.

For context, an emergency Faculty Senate Council meeting was called last Friday to get a sense of what the Senate would like to do. The outcome of that meeting and email correspondence with the entire council is my response.

It appears that the HU Board's email today is a misrepresentation of the facts and contexts of the response.

Best,

Marcus
