Dear Dr. Wutoh,

Regarding your response dated October 23, 2021 about the accommodation process:

Included was a tally of inquires about accommodations, sorted by school. However, not included was a breakdown of number of faculty that received accommodations.

Would you send the tally, sorted by school, of the accommodations actually awarded for Fall 2021?

Also, did those accommodations last beyond the Fall 2021 semester? Please include the tally for those that were extended, also by school.

Thank you,

Marcus Alfred
