Hi all,

I hope you are well. The Folks Coalition sent the attached. I said i'd send to the steering committee for consideration and would follow what you all would want to do with it.

Just a few things: (1) I let them know the senate structure, (2) I let them know the senate only makes recommendations, (3) each faculty member does what they want to do on any given issue (we can't make faculty do anything).

Best,

Marcus
