Dear Dr. Frederick,

I hope you are well. I regret to point out that there are two separate meetings on 4/14/22. The senate has announced a meeting from 1-3pm on that date with the expectation and assurance from the HU administration that you would attend.

We have planned a meeting so that any faculty member could ask any question they'd like to ask. This meeting is still scheduled for 1-3pm on 4/14/22. The zoom meeting registration and link are here:

But HU communications has announced a completely different meeting on youtube through HU communications. This youtube meeting is not an HU Faculty Senate meeting. Please note, the Senate meeting is consistent with the Board of Trustees approved Faculty Senate Constitution:

ARTICLE VI - MEETINGS, NOMINATIONS AND ELECTIONS IN THE SENATE

Section A. Regular Meetings:

The Senate shall meet not less than twice a year, once in the fall and once in the spring. In the fall it shall hear reports from the President of the University, and the Chairperson of the Senate and otherwise transact its business. In the spring it shall hear reports from the President, its officers, its standing committees, hold elections for its officers, representatives to the Council of the Senate and standing committees, and otherwise conduct its business.

Please see the attached timeline of how we've gotten to this point. I hope you will honor the agreement to meet with the faculty senate to meet with us on 4/14/22. In particular, that you will give a report from 1-1:30 with questions from senate faculty from 1:30-2pm.

Sincerely,

Marcus Alfred
